

OPEN CALL CULTURE BOARD YOUNG PERSON

Culture Board Invitation:

Coventry Business Improvement District Coventry for Coventry 2021: City of Culture

Are you aged between 18 - 25, local to or associated with Coventry? Are you passionate about arts and culture? Are you inspired by the power of creativity in creating positive change?

We are creating a brand new Coventry Business Improvement District (BID) Culture Board and want to make sure we are representing the voice of young people (aged 18 - 25) on it and in creating cultural activity in Cov city centre.

We want our Coventry BID Culture Board to keep Coventry 2021 projects on track, develop future projects and think about how we can maintain Coventry's reputation as a centre for Arts and Culture after 2021.

The role is unpaid. We will pay certain travel expenses if we do face to face meetings.
Deadline midday 5th July 2021.

If you are interested in joining Coventry BIDs Culture Board, we will need:

- A short paragraph about yourself and what you think about the power of culture on our daily lives (approx 200-500 words)
- A paragraph on your thoughts about Coventry (approx 200-500 words)

Email the above to the team at culture@coventrybid.co.uk by midday 5th July 2021
