

Associate Membership

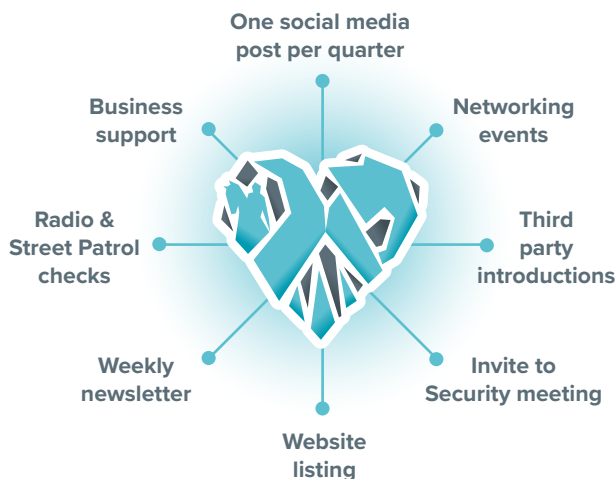

Coventry Business Improvement District (Coventry BID) is entering into our fifth term with a brand-new business plan which focuses on three main areas that were identified as the top priorities for our levy payers.

They are:

- Security & Safety
- Marketing & Promotion
- Business Support

All businesses with a rateable value of £16,000 over and within the ring road are automatically members of Coventry BID businesses.

If your business is interested in becoming a Coventry BID member, we have a range of ways to enable you to join our community as an associate member.

To discuss becoming a member contact Coventry BID on 024 7710 3305 or email support@coventrybid.co.uk.
